

Godspower Enwereuzor

Full stack developer, smart contract developer

Lagos

geepytechnologies@gmail.com

+234 810 697 4201

I'm a full stack developer focused on solving real-life challenges by leveraging on the power of software development. As a highly motivated software engineer, I bring both technical expertise and creative flair to every project I work on. I'm experienced with modern tech stacks and I'm always willing to learn.

Willing to relocate: Anywhere
